Beckman et al. (US 6,385,724) per Figure 11 and (Col 14 lines 43-59) discloses trusted identities which belong to a role (i.e. administrator, everyone, guests, recorder) and that determines the credentials or permissions to the accessed resources.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
